Something for Mothers to Think About.

EVERY CHILD born into the world with an inherited or early developed tendency to distressing, disfiguring humors of the skin, scalp, and blood, becomes an object of the most tender solicitude, not only because of its suffering, but because of the dreadful fear that the disfigurement is to be lifelong and mar its future happiness and prosperity.

The remedy of the "Cutaneous Treatment" is shown in the letter of Mrs. W. M. Nichols of Framingham, Mass., who writes: "I have used your Peru for myself and my mother, for colds, catarrh, hay fever and blooded discharges..."
